Material	Contents
Data-Driven Decisions (DDD) Notebooks	The Data-Driven Decisions (DDD) notebooks contain the following information: <ul style="list-style-type: none"> • Assessment history • Annotated assessment history • Data-driven decisions snapshot charts (participants can enter their students' performance data in charts and plot their strengths and weaknesses by student expectation) • Kilgo levels of questions • State performance standards • TAKS blueprint information
Scope & Sequence Notebooks	The S&S notebooks contain: <ul style="list-style-type: none"> • The information listed above for the DDD notebooks. • Master copy of the S&S charts for the state curriculum (TEKS/SEs). These charts identify what should be taught each year and when it should be taught (by six-weeks period). Correlation between the TEKS/SEs and the College Readiness Standards is also identified in the charts. • The charts, both the master chart and the "by six-weeks" charts are provided on a CD in Excel format/
Assessment Notebooks	The Assessment notebooks contain: <ul style="list-style-type: none"> • The information listed above for the DDD notebooks • Templates for writing assessment questions to the depth and complexity of TAKS • The templates and other workshop forms are provided on a CD
Spanish DDD Notebooks	The Spanish DDD notebooks are supplements to the English version of the DDD notebooks and contain the following: <ul style="list-style-type: none"> • Section 2 – DDD Snapshot charts for the Spanish tests • Section 3 – Assessment History for the Spanish tests • Section 4 – Annotated Assessment History for the Spanish tests
DDD CDs	The DDD CDs are an electronic version of the DDD Snapshot charts found in Section 2 of the Kilgo notebooks. The DDD charts contain links to the data entry forms; users can enter data in a form and the "campus/district % correct," and the "strengths" (+++) and "weaknesses" (xxx) columns will be automatically populated.
